

SPRINGFIELD PUBLIC SCHOOLS
Before and After School Program

Dear Parents/Guardians:

The Springfield School District and I would like to provide you with information regarding our Before and After School Program. Our goal is to enhance your child's time spent away from home by providing recreational and educational activities in a caring environment.

Both the Before and After School Programs are open to all Pre-K4 through Grade 5 students enrolled in the Springfield School District and is only available on days school is in session. The program is available for scheduled delayed openings and early dismissals.

The Before School Program is held from 7:00am until school start time and the After School Program begins immediately after the school day and ends at 6:00pm.

P.M. Pre-K4 students can register for the After School Program. A.M. Pre-K4 students can participate in the After School Program provided parents or guardians make arrangements for them to return to school when the program begins. There will be no transportation available. At this time ***we are not*** offering a Wrap Around Program.

Please take a moment to read through our Information Guide. We have created this guide to help take you through the steps of our program. It includes a summary of our program as well as our policies and practices. Included in the Information Guide is our registration application that contains our billing procedure. The first payment for children starting in September 2019 is due by August 12th, 2019. You can view the Information Guide on our website at www.springfieldschools.com.
