

November 2017

*Thanksgiving is a time for reflection. As I reflect on the things I am most grateful for I would like to take time to also thank you.*

*Thank you for everything you do for our students. You help us provide an exceptional education. Without your commitment, high standards and creativity, we would not be the successful District that we are proud to be. On behalf of the Board of Education I am very appreciative of all your efforts.*

*I wish you and your families a bountiful Thanksgiving filled with bright moments with friends and family.*

*Sincerely,*

*Michael A. Davino*
