Dear Parents and Guardians:

I hope you and your families are enjoying your summer break. I would like to take this opportunity to present to you some important facts for the upcoming school year.

Please remember that all students report to school on Thursday, **September 7, 2017**. You will find on our website the start and end times for each of our schools along with delayed opening and early dismissal information.

Our returning staff is outstanding and will continue to provide a solid foundation upon which we continue to advance our educational agenda. We welcome new staff members at all levels and areas of responsibility. These individuals bring with them innovative ideas and eagerness that will only enhance our educational goals and vision.

I look forward to another year filled with new experiences that will continue our expectations for distinction throughout the district.

Sincerely,

Michael A. Davino  
Superintendent
