A copy of the district's Affirmative Action plans and self-evaluation of affirmative action achievement shall be available in the district office.

State and federal statutes and regulations prohibit school districts from discriminatory practices in employment or educational opportunity against any person by reason of race, color, national origin, ancestry, age, sex, affectional or sexual orientation, gender identity or expression, marital status, domestic partnership status, familial status, liability for service in the Armed Forces of the United States, nationality, atypical hereditary cellular or blood trait of any individual, genetic information, or refusal to submit to a genetic test or make the results of a genetic test known, pregnancy in employment or in educational opportunities.

Harassment

The Board of Education shall maintain an instructional and working environment that is free from harassment of any kind. Administrators and supervisors will make it clear to all staff, pupils and vendors that harassment is prohibited. Sexual harassment shall be specifically addressed in the Affirmative Action in-service programs required by law for all staff.

Sexual harassment of staff or children interferes with the learning process and will not be tolerated in the Springfield schools. Any child or staff member who has knowledge of or feels victimized by sexual harassment should immediately report his/her allegation to the affirmative action officer. This policy statement on sexual harassment will be distributed to all staff members.

Staff or pupils may file a formal grievance related to harassment on any of the grounds addressed in this policy. The Affirmative Action officer will receive all complaints and carry out a thorough investigation, and will protect the rights of both the person making the complaint and the alleged harasser.

Findings of discrimination or harassment will result in appropriate disciplinary action.

- B. Continuing implementation and refinement of existing practices and Affirmative Action plans, making certain that all recruitment eliminates discrimination on any basis protected by law, and holding in-service programs on Affirmative Action for all staff in accordance with law.

These topics are included in the business and non-instructional operations, and the personnel policies of the district at #4111.1.
