SUSPENSION OF POLICIES, BYLAWS AND REGULATIONS

The Board of Education has developed a careful and deliberate process of formulating and adopting its policies and bylaws. Requests for suspension of any existing policy or bylaw should receive the same careful consideration.

Therefore:

- A. Any request for a waiver of policy or bylaw shall be considered in light of the policy or bylaw itself, rather than any particular circumstances of the moment. The circumstance shall be governed by the policy in place at the time of the incidence, not by pending modification.
- B. The Board shall decide whether the policy or bylaw still reflects the considered intent of the Board. If it does, the suspension will be denied and the policy or bylaw reaffirmed in the minutes.
- C. If the policy or bylaw does not reflect the intent of the Board, then the policy shall be waived by a majority vote of the members of the Board present and voting and development of a revised policy or bylaw shall become the board's prime policy priority.
- D. The Board shall determine whether rights of the public would be adversely affected by the proposed suspension or waiver of policy. If the public's rights would be adversely affected, the suspension or waiver will be denied.

In the event of an emergency requiring immediate action, the Chief School Administrator shall have the power to waive policy or regulation in the single instance. In such cases, the Chief School Administrator shall report the instance to the Board President immediately, and request reconsideration of the policy at the next regular meeting.
