- **Any female student interested in participating in the exciting field of cybersecurity is invited to sign up to participate with Girls Go CyberStart. Girls Go CyberStart is an interactive online program designed to introduce high school girls to cybersecurity. Students will learn disciplines such as cryptography, digital forensics, open source intelligence, and many more by completing challenges and games. As you level up, you could help our team qualify for the National Championship on April 23rd-24th, which is an invite-only competition where 4 girls from each team compete in an online Capture the Flag competition against other qualifying teams nationwide. Winning teams will be awarded prizes, along with recognition from their state governor. If you are interested in joining, please see Ms. Powers or Mr. Silva.**
