Assistant Principal

July 2022

Dear Parent/Guardian:

At Jonathan Dayton High School, we have a security system that provides a safer and more secure environment for our students and staff. The system includes Student Identification cards that serve as photo identification, and proximity cards that allow students to access restrooms in the building, and print documents in our Instructional Media Center (IMC).

It is mandatory that students have their ID card with them at all times. The ID card must be shown to any staff member on request. This rule will be strictly enforced. Students who do not have their ID's will be subject to disciplinary consequences.

This program can only operate effectively with your cooperation and that of your child. It is important that you remind your child to have his/her identification card each day. Students who do not have an ID card, or that have lost their card, may contact Mrs. Cieri at extension 5254 to make an appointment for a new ID card. There will be a \$5.00 charge for any replacement badges.

The safety of your child is important to us and to you. Please cooperate with us to make Jonathan Dayton High School a safer and more secure school for your child and our community. As always, if you have any questions or concerns regarding our security system, please call me at 973-376-1025 extension 5300.

Sincerely,

Norman Francis, Jr. Ed.D.
