July 2019

Dear Students, Parents, and Guardians,

I hope this letter finds you rested and ready to begin the 2019 - 2020 school year. We are working hard to prepare the building and our programming to provide students with an exciting and rewarding year.

In August parents should receive an email regarding the annual registration process, in OnCourse. This process must be completed to ensure that parents and students have access to the OnCourse Connect platform. This is also the means by which you can ensure that we have accurate family/emergency contacts information, and medical information, for students.

Additionally, the Acceptable Use Policy (AUP) is accessible during the OnCourse Annual registration. The AUP must be signed and returned in order for a student to receive a laptop. **Students will not receive a laptop without having provided the policy's original signature sheet.** The AUP is also on the Springfield website. For families who do not have access to the Internet, please remember that the public library has multiple computers for public use. You can also contact our Guidance office for assistance.

We ask that parents and students review the JDHS 2019-2020 Student/Parent Handbook, now posted on the JDHS webpage <http://www.springfieldschools.com/1/Home>. Please note the policies regarding Attendances, Student ID, Electronic Devices, Dress Code, and Locker use.

Student Schedules will be made available in OnCourse in late August. If you have any questions or concerns about the schedule, please contact your child's guidance counselor. Change requests will not be attended to during the summer break. Students can make appointments to see their Guidance Counselor starting September 5th.

On Thursday, September 5th, all freshmen students must report to their activity period homeroom. Sophomore and junior students report to the Main Gym, and senior students report to the cafeteria for Activity Period. All students are expected to be in attendance by 7:40 a.m., daily.

Please contact the main office with any questions. Let's make it a great year!

Sincerely,

Norman Francis, Jr. Ed.D.
