July 2019

Dear Parent/Guardian:

At Jonathan Dayton High School, we have a security system that provides a safer and more secure environment for our students and staff. The system includes Student Identification cards that serve as photo identification and proximity cards that allow students to enter the building and other secured areas.

**It is mandatory that students have their ID card with them at all times. The ID card must be shown to any staff member on request. This rule will be strictly enforced. Students who do not have their ID's will be subject to disciplinary consequences.** The ID cards will allow student entry into the building from 7:00 a.m. to 3:30 p.m., Monday through Friday. Students needing to enter the building before 7:00 a.m. and after 3:30 p.m. may do so by using our regular entry system at the main entrance of the school. Please note that ID card readers are located on the entrance doors to the boys' and girls' rest rooms, cards must be used to gain entry to the restrooms. Please note that ID cards are not to be shared. Also, ID cards cannot be altered in anyway.

**This program can only operate effectively with your cooperation and that of your child.** It is important that you remind your child to have his/her identification card each day. Students who do not have an ID card, or that have lost their card, may contact Mrs. Burns at extension 5291 to make an appointment for a new ID card. There will be a \$5.00 charge for any replacement badges.

The safety of your child is important to us and to you. Please cooperate with us to make Jonathan Dayton High School a safer and more secure school for your child and our community. As always, if you have any questions or concerns regarding our security system, please call me at 973-376-1025 extension 5300.

Sincerely,

Norman Francis, Jr. Ed.D.
