Welcome to Jonathan Dayton High School (JDHS)

This document is a streamlined, easy to read, handbook for our students and parents that explains the many policies and procedures that help us maintain a structured, safe school. Every student and parent must take the time to read through the handbook and become familiar with the policies and procedures at JDHS. Included are items such as attendance, conduct, grading and schedules, to name a few.

Our handbook is a living document, and thus changes are made as needed. Major changes will be communicated to parents and students via letters, memos, emails, on the website (<http://www.springfieldschools.com>) or in person. This publication is revised and updated every year. We encourage you to make suggestions to help us make this handbook as useful as possible.

Parents and/or students whose primary language is other than English and require assistance to fully understand this handbook are urged to contact the Principal. Arrangements will be made for interpreting services in order to fully understand the information contained within this handbook.

**At the end of activity period students pass to their first period classroom.*

*** Students receive announcements in their first period classroom.*

NOTE:

- 1. Activity Period – Students will begin their day in Activity Period. Seniors will report to the cafeteria. Juniors and sophomores will report to the auditorium. Freshman will report to assigned classrooms. ALL STUDENTS must report to their respective areas by 7:40 am. Attendance will be taken.**
- 2. Any student who wishes to remain in the building or in the areas immediately surrounding the building beyond 15 minutes after dismissal must be supervised by a staff member (teacher/coach/administrator).**

1. Attendance

- 1.1. **Calling out a Student** - Anytime a student is absent from JDHS, a parent/guardian must phone in the absence to **973-376-1025** and follow the prompts to reach the attendance office. Repeated failure to phone in student absences may result in contact with the proper authorities which may include Springfield Police Department or the Division of Child Protection and Permanency.
- 1.2. **Daily Attendance** – When students miss a class, for whatever reason, they are considered absent from that class and an absence is recorded toward their total allowable absences for the year. Students are permitted a maximum of **9 absences** per course for a one semester course, **18 absences** per course in a full year course and **5 absences** per course in a quarter course. Remember there are **NO EXCUSED ABSENCES**. Parents may request (excusal for cause) by writing to the principal, per BOE policy 5230 (refer to the policy for specifics). If your child exceeds the maximum allowable absences, he or she will automatically lose credit for the course. Students with extenuating medical absences may appeal per the appeal process. Loss of Credit will be applied on:
 - 1.2.1. **5th absence in a quarter year course (Health Education)**
 - 1.2.2. **10th absence in a ½ year course**
 - 1.2.3. **19th absence in a full year course**
- 1.3. **Notes for Absences** – A note does **NOT** automatically result in an “excused” or “non-chargeable” absence. All notes regarding student absences are due to the main office within **5 school days** of the return of the student to school.
 - 1.3.1 Per NJDOE code up to 3 days for college visits per school year, **ONLY** for students in **grades 11 and 12**. Notes from College Admissions or Registrar’s office are due to the main office within **5 school days** of the return of the student to school.
- 1.4. **Activity Period Attendance** – All students are required to be in school at 7:40 am. Activity period is the first period of the day. Excessive absences and/or tardies will result in disciplinary consequences:

Every 5th tardy = Extended School Day detention (ESD)
Every 5th absence = Saturday School (4 hours from 8 am – 12 pm)

Note: An Extended School Day detention is 60 minutes in duration. Students that rapidly accrue tardies or absences may be assigned longer detentions to account for the number of tardies accrued. Also, students who are persistently late and or absent to activity period may be precluded form participation in co-curricular activities.
- 1.5. **Appeal of Loss of Credit due to Attendance Issues** – Should a student receive notification of loss of credit, his/her parent/guardian may file an appeal in writing to the Principal or his/her designee within **10 school days** of the student exceeding the absences indicated in 1.2 above. The letter must indicate the name of the student, the name of the course, and should include a copy of the notification of loss of credit to which the letter refers. Parents will receive notification of the outcome of the appeal.

- 1.6. **Religious Holidays** – Religious Holidays as approved by the State Board of Education will be recorded as “R” and may not count for the purposes of loss of credit. A note, as indicated in 1.3 above, is required specifying that a particular student was out for a Religious Holiday.
- 1.7. **Truancy** – shall be defined as a cut from school not excused by the school administration or verified by a parent. Additionally proper authorities may be notified, such as, but not limited to: Springfield Police Department or the Division of Child Protection and Permanency.
- 1.8. **Cutting Class** – a student with an unauthorized absence from a class will be referred to the Assistant Principal for disciplinary action. A student who has accumulated tardies (see section 2.0 regarding tardy policy) to a class will also be referred to the Assistant Principal as a cut. Three (3) cuts for a single class will result in Loss of Credit.
- 1.9. **Absences and Extra Curricular/Athletic Participation** - When a student is absent from school for unauthorized reasons, he or she is **excluded** from all school activities, including but not limited to: class activities, student council, school trips, band or chorus rehearsals, practices, performances, club activities, dances, proms, and athletic games or practices on the day of the absence.
 - 1.9.1. The student is ineligible for extra-curricular participation until he or she has been in attendance at school for one full school day. The Principal may excuse for cause the late arrival and early dismissal of a student on the prior written request of the student's parent(s) or legal guardian(s). Good cause may include, but need not be limited to, medical and dental appointments that cannot be scheduled outside the school day, medical disability, a motor vehicle driver's test, interviews for college entrance or employment, and court appearances. (per. District policy 5230)
 - 1.9.2. All students must be in school for a minimum of four hours to be considered present in school for the day. This means that a student must sign in to school in the Main Office **before 10:30 a.m.** in order to receive credit for being in attendance. Students who request early dismissals **prior to 11:40** will be recorded as absent for the day for the purposes of participation.
 - 1.9.3. Per NJDOE code up to 3 days for college visits per school year, **ONLY** for students in grades 11 and 12. Notes from College Admissions or Registrar's office are due to the main office within **5 school days** of the return of the student to school.
- 1.10. **Absences for Vacation Purpose**
 - 1.10.1. Absences for vacations are neither “excused” nor “non-chargeable” and thus will count towards the absences allotted in section 1.2 above.
 - 1.10.2. Parents **must notify the school** for such absences as far as possible in advance in writing to the Principal. In order for such an absence to be considered should an attendance appeal occur, such a request must be made **BEFORE** the absences for vacation to occur.
 - 1.10.3. The Principal will reply to such a request in writing.
 - 1.10.4. It is the student's responsibility to seek out work in advance of the absences and to make up work upon his/her return.

1.10.5. Make Up Work for Absences – it is the student’s responsibility to seek out the teacher to determine what work has been missed and what the deadlines will be for completing said work.

1.11. **Unauthorized Student Cut Days** – “Senior Cut Day(s)”, cut days immediately before or after vacations or long weekends, cut days after the Prom, etc. are **NOT** authorized by the school and students will be counted as truant (see 1.6) for such absences.

2. Tardiness

2.1. A student who is late to any class is responsible for the work missed.

2.2. Tardiness will result in disciplinary action including, but not limited to: after school detentions, loss of credit for the assignment, potential loss of course credit.

2.3. Students who are tardy to school must sign in at the designated location in order to be counted as present in school for the day. Failure to sign in will result in disciplinary action.

3. Athletes and Physical Education

3.1. Physical Education is required of all students each year in attendance. Athletes are not exempted from this requirement.

3.2. All athletes, in season, are required to dress and participate each day, including the day of an athletic contest.

3.3. Failure to participate in PE shall exclude a student from participation in athletics for that day. Failure to participate on a Friday shall exclude that student for Saturday and Sunday as well.

3.4. Any student with medical clearance from physical education class will be ineligible to participate in extra curricular activities such as practice and/or athletic contests as well.

4. Leaving the School Building/Grounds

4.1. Students seeking authorization to leave the school building during the school day must do so through the Main Office only.

4.2. Students who leave the school building/grounds without proper authorization, regardless of the reason, will be subject to disciplinary action and at the discretion of the Principal or his/her designee, and **may be subject to a drug test**.

4.3. Students under the age of 18 and those 18 or older who are not emancipated (see section 4.0) cannot leave the building unless they are released via the main office into the custody of a parent/guardian. **It is the parent/guardian’s responsibility to notify the school in writing of those adults who are authorized to take custody of their child**. This information will be recorded in the student’s record under Emergency Contacts. Persons designated as emergency contacts should be prepared to show identification when requested.

NOTE: STUDENTS WILL NOT BE RELEASED TO AN ADULT WHO IS NOT ON RECORD AS AN EMERGENCY CONTACT.

- 4.4. Students who are emancipated 18+ year olds may sign themselves out of school via the Main Office only. Students are reminded that such absences are neither excused nor non-chargeable.

5. Promotion Policy

5.1. For a student to be promoted to the next grade level, he/she must earn the following credits:

- Sophomore Status Minimum of 30 credits
- Junior Status Minimum of 65 credits
- Senior Status Minimum of 95 credits

***Approved summer school recovery credits are included towards grade level advancement.

6. Graduation Requirements

- 6.1. All courses satisfactorily completed count toward graduation requirements. Certain required subjects must be included. Regardless of post-high school objectives, all students in the district are required to complete a core curriculum of academic courses that develop the skills and knowledge essential to all citizens.
- 6.2. In June 2019, the State Board of Education approved updated state regulations for the high school graduation assessments requirements in both English language arts (ELA) and mathematics for the Classes of 2019 through 2022. These new state regulations ([N.J.A.C. 6A:8-5.1](#)) became effective on June 5, 2019.

6.2.1 The Classes of 2020, 2021, and 2022

The high school assessment graduation requirements that are in place for the Classes of 2019, 2020, 2021, and 2022 are:

1. Demonstrate proficiency on NJSLA/PARCC ELA 10 and/or Algebra I; or
2. Demonstrate proficiency in ELA and/or mathematics by meeting the designated cut score on one of the alternative assessments such as other high school-level NJSLA/PARCC assessments, the SAT, ACT, or ACCUPLACER as defined in the chart below; or
3. Demonstrate proficiency in ELA and/or mathematics by submitting, through the district, a student portfolio appeal to the NJDOE.

Proficiency levels/cut scores for the Classes of 2019 through 2022 are specified in the chart below.

Note: Special Education students, whose Individualized Education Plans (IEPs) specify an alternative way to demonstrate proficiencies, will continue to follow the graduation assessment requirements set forth in their IEPs.

6.2.4 **Each school year the NJDOE will determine the proficiency level** needed on the assessments to meet the requirements. It is important to note that our students have always been able to meet graduation requirements through an alternative assessment or pathway to graduation throughout New Jersey’s forty-year history with a statewide assessment program, and will continue to be able to do so. In this document, you will find charts containing the list of assessment requirements in both ELA and mathematics for the high school graduation Classes of 2019 through 2022 and beyond.

ELA and Mathematics Assessment Graduation Requirements for the Classes of 2019, 2020, 2021, and 2022

The requirements for the Class of 2019, including the cut scores, remain unchanged from the requirements that were applied to the Classes of 2017 and 2018. These requirements now apply to the Classes of 2020, 2021, and 2022.

- 5.3. Students are required to complete a minimum of 130 credits in order to graduate.
- 5.3.1. Students at JDHS are required to complete **40 hours of community service** and/or volunteer work **each year**. Currently the state Department of Education is considering incorporating community service into the formal mandate for curricula throughout New Jersey, so between continuing to operate ahead of the curve with regard to state expectations and encouraging our students to engage and support their communities, the Springfield school district has mandated this requirement.
- 5.3.2. Freshman and Sophomores are **REQUIRED** to submit their documentation of hours served **NO LATER THAN JUNE 1ST** of the academic year. Juniors and Seniors are **REQUIRED** to submit their documentation of hours served **NO LATER THAN MARCH 15TH** of the academic year. 7. Grading Procedures

- 6.1 Marking Periods - There will be two marking periods for a one-semester course and four marking periods for a full-year course. Each marking period grade is to receive equal weight in computing the final average for the course. One Mid-term grade will be recorded for Health Education
- 6.2 Mid-term, Final Exam, Product or Project
- 6.2.1 A midterm examination as well as a final examination, product or project is required in all subjects offered on a full year basis. If either is not completed a grade of I = incomplete will be recorded for both the exam/project and course.
- 6.2.2 The examination product or project will be weighted one-tenth in computing the course average. In a full-year course each marking period grade is multiplied by 2; the mid-term examination and final examination product or project grade is multiplied each by 1; the total is divided by 10.
- 6.3 Final Average
- 6.3.1 A student must earn a minimum grade of "D" the last marking period of each course in order to pass that course, regardless of his or her average in that course. (Note: This applies to the second marking period of a one-semester course, the third marking period of physical education, and the fourth marking period of a full-year course.
- 6.3.2 Before an "F" may be recorded for the last marking period grade, the teacher must indicate in writing to the parent that the student is in danger of failing the entire course. The Academic Intervention Form must be countersigned by the supervisor and the principal to indicate awareness of the problem. This document will be mailed as soon as failure is evident.
- 6.3.3 Final Examination Exemption For Senior Year Students
- 6.3.4 **Exemptions for seniors will be at THE DISCRETION OF THE CLASSROOM TEACHER**

- 6.3.5 Senior year students only may be exempt from final examinations in all classes. A senior is defined, for the purpose of this policy as a student who has earned at least 95 credits.
- 6.3.6 Exemptions will be based on a cumulative average of “A” or greater achieved during the third and fourth marking periods of a full-year course or both marking periods of a half-year course. The cumulative average shall be the average of the report card grades given each marking period.
- 6.3.7 Students who qualify for an exemption may elect to take the examination if they wish; however, the final examination will be used in calculating the final average in the course in all such cases.
- 6.3.8 The exemption applies only to final examinations; no student is exempt from completing a final project, regardless of grades in the course.
- 6.3.9 For students exempt from a final examination, the final average will be computed on the basis of the marking period grades and the mid-term examination.
- 6.3.10 Advanced Placement Exemption - All students in AP classes are eligible for a final examination exemption regardless of grade level provided that they take the AP Test and have an “A” average in the final two marking periods of the class.
- 6.3.11 Students that achieve a score of “5” on their AP exam, may receive an adjustment to their final average, at the discretion of the teacher.

- 8.2 Students will receive a grade of zero on the assignment. The work may be made up for educational purposes only at the discretion of the teacher.

ENFORCEMENT OF DRUG-FREE SCHOOL ZONES

The Board of Education recognizes its responsibility to ensure continuing cooperation between school staff and law enforcement authorities in all matters relating to the use, possession, and distribution of controlled dangerous substances and drug paraphernalia on school property. The Board further recognizes its responsibility to cooperate with law enforcement authorities in planning and conducting law enforcement activities and operations on school property. The Board shall therefore, establish a formal memorandum of agreement with the appropriate law enforcement authorities and set forth the following policies and procedures after consultation with the county prosecutor and approval by the county superintendent of schools. The memorandum of agreement shall be consistent with the school zone enforcement code (N.J.A.C. 6:3-6.1.6.6), statewide action plan for narcotic enforcement and the attorney general's executive directive 1988-1.

LAW ENFORCEMENT LIAISON

In order to ensure that such cooperation continues, the Board directs the Superintendent to designate a school district liaison(s) to law enforcement agencies and to prescribe the roles and responsibilities of the school liaison(s). Such assignment shall be in accordance with the district's collective bargaining agreement, if applicable.

UNDERCOVER OPERATION

The Board hereby recognizes that the Superintendent may request that law enforcement authorities conduct an undercover operation in the school if he/she has reason to believe that drug use and/or drug trafficking is occurring in the school and that a less intrusive means of law enforcement intervention would be ineffective. The Board hereby authorizes the superintendent to request such intervention under these circumstances. The Board recognizes that the Superintendent is not permitted to ask the Board's approval for his/her action and is not permitted to discuss any aspect of the undercover operation until authorized to do so by law enforcement authorities.

The Board recognizes that law enforcement authorities may contact the Superintendent to request that an undercover operation be established in a district school. The Board recognizes that the Superintendent is prohibited from discussing the request with the Board. The Board hereby authorizes the Superintendent to act upon any such request in the manner that he/she determines is in conformity with the law and the attorney general's executive directive 1988-1 and that is in the best interests of the students and the school district.

The Board directs the Superintendent and school Principal to cooperate with law enforcement authorities in the planning and conduct of undercover school operations. The Superintendent, Principal, or any other school staff or district Board member who may have been informed about the undercover operation is required to immediately communicate information to the county prosecutor or designee if the integrity of the undercover school operation has been compromised in any way

The Superintendent shall immediately report that information to the appropriate law enforcement agency as required by Board policy.

If an arrest is necessary, and no exigent circumstances exist, the Superintendent and staff will cooperate with the law enforcement officials and provide them access to the office of a school administrator or some other area away from the general student population. Every effort shall be made to enable law enforcement personnel to carry out the arrest in a manner that is least disruptive to the educational environment. The Superintendent or the Principal shall immediately notify the student's parent/guardian whenever a pupil is arrested for violating any laws prohibiting the possession, use, sale, or distribution of any controlled substance or drug paraphernalia.

Whenever the police have been summoned to a school building by the Superintendent, the Superintendent shall report the reason the police were summoned and any pertinent information to the Board at its next regular meeting. If confidentiality is required, the report shall be made in executive session.

STUDENT SEARCHES AND SECURING PHYSICAL EVIDENCE

The Principal or his/her designee may conduct a search of a student's person or belongings if the search is necessary to maintain discipline and order in the school, and the school official has a reasonable suspicion that the student is concealing contraband. All searches and seizures conducted by designated school staff shall comply with the standards prescribed by the United States Supreme Court in *New Jersey v. T.L.O.*, U.S. 325 (1985), as set forth in Appendix C of the Attorney General's statewide action plan for narcotics enforcement.

If, as a result of the search, a controlled dangerous substance or drug paraphernalia is found, or if a controlled dangerous substance or drug paraphernalia is by any means found on school property, the individual discovering the item or substance shall immediately notify the building Principal; the Principal shall notify the Superintendent who shall immediately, in turn, notify the appropriate law enforcement agency. The Principal shall ensure that the controlled or dangerous substance and/or drug paraphernalia is labeled and secured in a locked cabinet or desk until law enforcement officials pick it up. The Principal shall then contact the student's parents/guardians to inform them of the occurrence.

Whenever law enforcement officials have been called into the school, and a search of a student's person or belongings is necessary, or an interrogation is to be conducted, the Superintendent shall request that the law enforcement officials conduct the search, seizure or interrogation.

POLICE PRESENCE AT EXTRACURRICULAR ACTIVITIES

The Superintendent is hereby authorized to contact the appropriate law enforcement agency and arrange for the presence of an officer(s) in the event of an emergency or when the Superintendent believes that uniformed police presence is necessary to deter illegal drug use or trafficking or to maintain order or crowd or traffic control at a school function.

RESOLVING DISPUTES CONCERNING LAW ENFORCEMENT ACTIVITIES

The Board authorizes the Superintendent to contact the chief executive officer of the law enforcement agency involved with any dispute or objection to any proposed or ongoing law enforcement operation or activity on school property. If for any reason the dispute or objection is not satisfactorily resolved with the chief executive officer of the agency, the Superintendent shall work in conjunction with the county prosecutor and, where appropriate, the division of criminal justice to take appropriate steps to resolve the matter. Any dispute that cannot be resolved at the county level shall be reported to the board and shall be resolved by the attorney general whose decision will be binding.

CONFIDENTIALITY OF PUPIL INVOLVEMENT IN INTERVENTION AND TREATMENT PROGRAMS

Nothing in this policy shall be construed in any way to authorize or require the transmittal of any information or records that are in the possession of a substance-abuse counseling or treatment program including, but not limited to, the school district's own substance abuse programs. All information concerning a pupil's or staff member's involvement in a school intervention or treatment program shall be kept strictly confidential. See 42 C.F.R. 2 and N.J.A.C. 6:3-6.6.

TOBACCO

A BAN ON SMOKING

Smoking is considered a medically-unacceptable practice. It has been linked to the acquisition of a number of serious health problems which may be life threatening. In order to discourage students from acquiring or continuing the habit of

smoking, to provide an improved health environment in the schools and promote general wellness of staff in the workplace, all smoking is banned within the buildings of the district high schools. If smoking is harmful, as the Surgeon General of the United States so indicates, it is harmful to all, regardless of age. Therefore, the district determines to enforce a similar policy for all students and staff alike as well as citizens within our buildings. Smoking in any form, will not be permitted by anyone; i.e., citizens, students or staff members, within the buildings of the high school or in its vehicles. Smoke-free school buildings and vehicles are the desired goals of this policy.

The following provisions will be enforced to maintain this policy:

- A. A smoking ban for students will continue in all buildings of the high school and in vehicles when students are being transported.
- B. No smoking will be permitted by any staff member, at any time-not just during the school day-in all buildings of the high school and in school-owned or contracted vehicles. The ban pertains to teachers, teacher aides, administrators, supervisors, interpreters, secretaries, clerks, custodians, maintenance staff, cafeteria employees, bus drivers, and all other employees of the district as well as vendors, consultants, or anyone who enters school buildings.
- C. All prospective employees will be informed of this policy prior to employment.
- D. All announcements will be made requesting the public to voluntarily refrain from smoking at outdoor school activities and events.
- E. Board of Education members and visitors will observe the ban on smoking when in school buildings.
- F. Signs will be posted at school entrances announcing a ban on smoking within the buildings.
- G. Staff members will be periodically reminded of the ban on smoking within the buildings.
