July 2014

Dear Senior,

I hope this message finds you well relaxed and ready to begin your final year here at Jonathan Dayton. It seems like only yesterday you were entering JDHS for the first time as nervous freshman, unsure of what the high school experience would bring. Now, you're entering your last year and soon you will begin to prepare for life after high school.

This year, we are giving our seniors priority parking spaces in the back lot. Students who would like a parking space should report to the main office between the hours of 8:00 am – 11:30 am and 1:30 – 2:30 to ensure a parking space for the first day of school. **Make sure to complete the form below and bring with you along with photocopies of your NJ state drivers license, NJ state registration and proof of insurance** the week of August 25th.

Your decal will be issued to you by the first day of school if you are a student in good standing, without any fees or obligations on your record. **Submission of application does not guarantee that a parking space will be issued.** As your senior year begins, it is important that any outstanding obligation be fulfilled prior to June. All too often, students and parents alike are left scrambling hours before graduation to clear their record and we are trying to make sure that moments like these will not be necessary.

It is important that you report to the school prior to opening, otherwise you could forfeit your privilege to park on campus this year. If you have any questions or concerns, please feel free to call the office at (973) 376-1025.

Enjoy your remaining days of vacation. I am looking forward to a very successful school year!

Sincerely,

Ronald Slate
