

**Welcome to the Jonathan Dayton High School's Athletic Program.
All Athletes: how to register for Family ID**

We are happy to announce that Jonathan Dayton High School has partnered with "Family ID" a terrific online platform to register your child for High school sports! The information is stored from season to season reducing the need to re-input demographic information multiple times. In order for your child to be eligible to participate in the Dayton Athletic program, you will need to register on the Family ID website and submit a hard copy your child's current sports physical to the health office. **All the required forms are found in a link on the Family ID website.**

***NOTE** all returning athletes must register for each season's Athletic program by using your account and password previously set up.

Please follow these steps for your child to be eligible for the Dayton Athletic program:

- 1) Register on Family ID - complete all required information, signatures, etc electronically. ***NOTE:** Register your child in the current Grade.
- 2) Submit a hard copy of a **current** sports physical to Mrs. Graham RN the JDHS School. Forms are found under the Family ID link.
