Summer Assignment

Students taking French 2 in the Fall 2020

You are going to make a crossword puzzle with French vocabulary and verb conjugations that you learned in French 1. Have your crossword puzzle and answer key ready to be handed in **on the first day of class. This will be your first grade in French 2** so you will want to give it your time and thoughtful attention.

You can make your crossword puzzle two ways:

1. Write it out on graph paper, or
2. Go online to Discovery Education to make it:

<http://puzzlemaker.discoveryeducation.com/CrissCrossSetupForm.asp>

Requirements for the crossword:

1. **5 vocabulary words from Chapters 1 through 5 of our textbook Bien Dit, for a total of 25 words.**

You should have access to your online textbook. If not, you can find the vocab lists at:

<http://conjuguemos.com> (you do not need to have an account)

Choose French Vocabulary

Scroll down until you see the textbook Bien Dit

Note: For those students coming from the Middle School, choose vocabulary words with which you are familiar from the vocabulary lists.

2. **6 conjugations of regular verbs (remember ER, RE, and IR verbs?) Here is a link to common regular verb conjugations or you can choose your own verbs that you are familiar with:**

4. **An answer key for your crossword puzzle**

How do you write clues for a crossword?

- For **vocabulary** words, write the English word. (Ex: clue: to ride a bike; answer: faire du vélo)
- For **verbs**, write the subject, the verb, and if it is regular and irregular.
(Ex: clue: regular: je / manger; answer: mange)
