Dear Parents, Guardians and Students,

Welcome back! We hope you had a nice and relaxing summer and are ready for another school year. As we get ready for Virtual Learning to begin the 2020-2021 school year at Florence M. Gaudineer Middle School, we have created times for Sixth Grade book and laptop distribution as well as Seventh and Eighth Grade book and new student laptop distribution. Please follow the procedures to ensure that all students receive their laptops and materials in a timely manner. When you arrive, please park in the back of the school and walk to the front of FMG. Administration and Technology will be stationed by the cafeteria ramp to distribute laptops and textbooks.

**Students must bring a printed out and signed copy of the AUP (Acceptable Use Policy), which can be found in the Annual Registration, in order to receive a laptop.** Please arrive during your scheduled time.
