

Florence M. Gaudineer School
In Coming 7th grade Italian Summer Assignment
2020-2021

Dear Incoming Seventh Grade Student,

In order to keep your Italian skills sharp over the summer, practice is essential. Please follow the directions by selecting and completing **ONLY 1** activity from each chapter on the Tic-Tac-Toe Choice board. Each horizontal row reflects a specific chapter with its associated themes and vocabulary. All three of the activities that you select from the list are due the first week of school and they will be collected and graded as a test grade worth 60 points. Points will be deducted if the summer work is handed in late.

Example:

Capitolo Preliminare X	Capitolo Preliminare	Capitolo Preliminare
Capitolo 1a	Capitol 1a X	Capitolo 1a
Capitolo 1b	Capitolo 1b	Capitolo 1b X

You may collaborate with a classmate over the summer. However, all work must be done independently and each person must submit his or her own work.

Note that each unit has a companion vocabulary list to assist you with completing the summer assignment. However, should you need assistance at any point, please contact Signora Cioffi at the following email address:

jcioffi@springfieldschools.com

The World Language Department wishes you an enjoyable, restful summer and we look forward to seeing you in the fall.
