

Florence M. Gaudineer School
Incoming 8th Grade French Summer Assignment
2020-2021

Dear Incoming Eighth Grade Student,

In order to keep your French skills sharp over the summer, practice is essential. Please follow the directions by selecting and completing **three activities of your choice** from each chapter on the Tic-Tac-Toe board. Each horizontal row reflects a specific chapter with its associated themes and vocabulary.

All three of the activities that you select from the list are due the first week of school and they will be collected and graded as a test grade worth 60 points. Points will be deducted if the summer work is handed in late.

You may collaborate with a classmate over the summer. However, all work must be done independently and each person must submit his or her own work.

You may also contact Madame D'Angelo at the following email address:
