July 1, 2020

Dear EVW Parents/Guardians,

The summer months are a special time in a young child's life. Longer days filled with sun, fun, family and friends contribute a great deal to one's growth and development. As educators, we want to make sure that all of our students have an exciting and enriching summer. In addition, we want to help our students maintain the skills and abilities they acquired this past school year.

To this end, every student in grades PK-2 is assigned a summer assignment that we are confident will keep them reading and enjoying literature while not interfering too greatly on their free time. Summer Assignments will be emailed home and/or posted on our website at <https://www.springfieldschools.com/>.

Students are expected to submit the completed summer assignment to their teacher when they return to school in the Fall.

Have a happy and healthy summer!

Sincerely,

Michael C. Plias
