

4th Grade Summer Web Site Resources

Summer Challenges: <http://www.readwritethink.org/bright-ideas/>

Keyboarding Practice: <https://typetastic.com/learn2.html>

Math Websites

One of the most important things you can do this summer is practice multiplication and division facts.

www.ixl.com There are many fun activities on IXL that are available throughout the summer. Once you are on the site:

- click on the “Inspiration” tab
- click on the “Summer Resources” tab

<http://www.sumdog.com>. Students have been using this site all year to work on math skills.

www.AAAMath.com. Customized by grade level and topic

<http://www.coolmath4kids.com/>. This fully interactive site allows the user to sharpen basic math skills, play games and explore new math concepts.

<http://www.figurethis.org/index.html>. Created by the National Council of Teachers of Mathematics, this site helps families enjoy mathematics outside school through a series of fun and engaging challenges.

<http://studyjams.scholastic.com/studyjams/jams/math/index.htm>. A web site created by Scholastic that focuses on Math skills. Songs, rhymes, catchy tunes, instruction, and practice.

<http://www.funbrain.com/numbers.html>. This site includes 17 original games based on soccer, car racing and much more Other games include Math Baseball, where a child can score runs with correct answers and Operation Order, where students can build pyramids with their knowledge of algebra.

Reading Websites

<http://www.internet4classrooms.com/skills-3rd-langbuilders.htm> Language Arts skills builders.
