

Dear Springfield Community,

As you were informed Monday evening, the Regular Meeting of the Board of Education for Monday, March 16, 2020 was canceled and rescheduled for Wednesday, March 18, 2020. The public portion of the meeting will begin at 3 p.m.

The agenda for this meeting can be found at www.springfieldschools.com/Content2/238.

In order to practice social distancing, as recommended by the CDC and Gov. Murphy, we are taking some precautionary steps:

This meeting will be conducted in a “virtual” environment using the ZOOM platform. Any member of the public who wishes to **observe** the meeting can do so by logging in at the following link:

<https://us04web.zoom.us/j/594010976>

Meeting ID: 594 010 976

Alternatively, to comply with the Open Public Meetings Act, any member of the public can observe and/or **make public comments** in the IMC at Jonathan Dayton High School, which will be open for public participation.

Thank you so much for your patience as we make our way in these new circumstances.

All the best,

Springfield Board of Education
