

Adverse Childhood Experiences: The Impact on Mental & Physical Health

Atlantic Health System's Goryeb Children's Hospital is partnering with The Institute of Great Expectations and Prevention is Key to host a webinar on Adverse Childhood Experiences (ACES). The discussion includes the impact on mental and physical health, how ACES can affect overall well-being and school success, and how to shift your parenting practices to support the whole child.

Pre-registration is required.

All parents, caregivers, and school personnel are welcome to attend.

Thursday, January 26, 2023, at 7:00pm

Presented by:

David B. Levine, MD, FAAP
Interim Chief, General Pediatrics, Atlantic Medical Group,
Atlantic Health System

Carolyn Flynn, MA, LPC, CD
Director of Infant and Early Childhood Relational Health, The Center for Great Expectations
Senior Trainer, The Institute of the Center for Great Expectations
