

Kiddies Kaleidoscope

"Shaping young minds, teaching with heart." 

2022 FALL SESSION

All new projects!

Kiddies Junior Robotics — Grades K-3

Ready - Set - Code!

By entering into our "Tinker Lab", young children will be exposed to robotics in a fun, hands-on way. Children will be introduced to the coding, programming and designing of **real, age-appropriate robots** understanding the basics of algorithms while building language and math skills as we work with *sequencing, estimation* and *problem solving* - all while having fun!

With Robotics being the wave of the future, children who understand robotics will be at an advantage — literally able to operate the world around them! Featuring:

*Code and Go Mouse *Botley *Bit Bots *BB8
*Cubelets *Cubetto *Novie *Dash and Dot

Chisholm Community Center

100 S. Springfield Ave, Springfield, NJ
