**RESOLUTION**  
**Suspension of 2010 School Budget Elections**

WHEREAS, on February 11, 2010, Governor Christopher Christie issued Executive Order 14, which froze current-year state aid payments in more than 500 local school districts, including Springfield School District; and

WHEREAS, Executive Order 14 sets out a process whereby affected school districts would use their excess surplus and portions of reserve accounts to make up for the loss of current-year aid, a strategy that will have an uncertain impact on next year's (2010-2011) school budgets; and

WHEREAS, local school districts have been advised of four possible scenarios concerning their 2010-2011 state aid allocations, adding to the uncertainty over future school finances; and

WHEREAS, the Governor's annual budget message, through which official state school aid amounts for 2010-2011 will be released, has been postponed until March 16<sup>th</sup>; and

WHEREAS, local school boards must finalize proposed budgets for placement on the election ballot by April 3, a span of less than three weeks; and

WHEREAS, the lack of complete information about state school funding and the compressed budget timelines will pose a burden to local school districts in developing intelligent, responsible budgets; and

WHEREAS, the scheduling of the school budget referendums on April 20<sup>th</sup> precludes the allotment of additional time needed for budget development; and

WHEREAS, proposed school budgets are controlled by a tax-levy cap and undergo thorough review by the state's Executive County Superintendents, thereby ensuring efficient and responsible use of taxpayer funds; now therefore be it

RESOLVED, that the Springfield Board of Education urges Governor Christopher Christie and the state Legislature to take necessary action to suspend the 2010 school budget elections; and be it further

RESOLVED, that the Springfield Board of Education also urges state lawmakers to permit certification of school tax levies based on the budgets approved by local boards of education following the public hearings required pursuant to N.J.S.A. 18A: 22-10 et seq.; and be it further

RESOLVED, that the Springfield Board of Education also urges state lawmakers to adjust the school budget calendar to extend timelines for the budget development, hearing and adoption process, thereby enabling school districts to develop responsible budgets necessary to meet state and local education goals; and be it further

RESOLVED, that this resolution be sent to Governor Christopher Christie, Acting Commissioner of Education Bret Schundler, Senate President Stephen Sweeney, Assembly Speaker Sheila Oliver, state Senator Tom Kean, Jr. and Assembly Representatives Jon Bramnick and Nancy Munoz; and be it further

RESOLVED, that a copy of this resolution be forwarded to the New Jersey School Boards Association.

### CERTIFICATION

I, Matthew A. Clarke, Board Secretary of the Springfield BOE in the County of Union, and the State of New Jersey do hereby Certify that the foregoing Resolution is a true copy of the Original Resolution duly passed and adopted by a majority of the full membership of the Springfield BOE at its meeting of March 8, 2010.
