POLICY: SAFETY

The Chief School Administrator or designees shall develop rules governing school safety which shall include but not be limited to: pupil safety in school; care of injured pupils; vehicle safety programs; plant safety including removal and/or encapsulation of asbestos; labeling and storage of hazardous substances; emergency procedures; pupil safety in transit to and from school; and eye protection. In addition, pupils shall be provided with safety instruction in accordance with the law.

The rules and procedures shall be reviewed and adopted by the Board as required by law and shall be disseminated to staff and pupils annually, and whenever any changes are made.
