POLICY: CONDUCT AND DRESS

The Board of Education expects all staff members to be neatly groomed and dressed in clothing suitable for the subject of instruction, the work being performed, or the occasion. To protect the safety and health of staff and the students, the Chief School Administrator or his/her designee shall be responsible for the implementation of this policy.

The personal life of an employee is not an appropriate concern of the Board except as it may directly prevent the employee from performing his/her properly assigned functions during the work day or affect his/her professional relationship with pupils.

Unbecoming Conduct

When an employee, either within the schools or outside normal duties, creates conditions under which the proper operation of the schools is affected, the Board upon recommendation of the Chief School Administrator and in accordance with statute shall determine whether such acts or lack of actions constitute conduct unbecoming a school employee, and if so, will proceed against the employee in accordance with law.

Unbecoming conduct sufficient to warrant Board review may result from a single flagrant incident or from a series of incidents.
